

CANCER ASSOCIATION OF SPARTANBURG & CHEROKEE COUNTIES, INC { 2010 ANNUAL REPORT }

Love is everywhere.

A photograph of a light blue wooden door with a heart-shaped hole cut into it. To the left of the door is a window with a white frame. The background through the window is dark and blurry, suggesting an outdoor setting at night or dusk. The door has a weathered, painted appearance.

“Our *Love* must not be a thing of words and
fine talk. It must be a thing of action and sincerity.”

— 1 JOHN 3:18

LOVE IS EVERYWHERE; YOU’VE ONLY TO SEE IT.

Love is in a kind word, a helping hand.

It is in a shared laugh. And cry.

It is in the knowing, and the appreciating.

Love is active: It is in anticipating and in responding.

It is the understanding, and the easing of burdens.

Love knows no strangers. Love has no limits.

“Friends are *Angels* sent down to Earth to make good days and help us find our way.”

— UNKNOWN

FROM OUR PRESIDENT

Dear Friends of the Cancer Association:

I would like to thank each of you for your support and generosity, without which there would be no Cancer Association. God has blessed you with kind hearts, and the hearts of our clients thank you.

Our Board and staff are the best! We share a drive and a sense of urgency to succeed in a culture of trust and teamwork. We are committed to ensuring our donors that every dollar contributed will be wisely spent toward achieving our Mission: to provide services to cancer patients and our community, without regard to race, creed, color, sex, national origin or financial condition.

I invite each of you to stop by our office and see first-hand what a difference the Cancer Association is making in our clients' lives. It will make your heart smile and it will make your heart cry. It will make you thank our Father in heaven for His son, because it is through Him that we have hope even in the midst of so much sadness. It is a humbling honor that we each have a little bit of Him in us, so that we give of ourselves to others.

From my heart to yours, Thank You.

Bucky Bagwell

FROM OUR EXECUTIVE DIRECTOR

Dear Friends:

Love is everywhere. Love is active. Love has no limits.

Our goal in 2010 was to reach beyond the direct services that we have traditionally offered cancer patients and their families, and to leverage our partnerships to expand quality-of-life programs to our community. I am proud of what we accomplished and excited to share with you throughout this report how your loving support helped us to reach our goal.

Partnerships are the key to leveraging talent, time and monies. I would like to thank some of our community partners — Cherokee County Late Stage Breast Cancer Task Force, Gibbs Cancer Center, ReGenesis Health Care, Spartanburg Regional Foundation, Susan G. Komen for the Cure SC Mountains to the Midlands and Upstate Carolina Medical Center. I also want to thank our donors, volunteers, board members, and devoted staff for their hard work and dedication. It takes all of us to make a difference, and the true love for our community came out in each partnership.

I am humbled to be surrounded by such great people, working together for one cause: to make a difference in someone's life. I thank you for your support and encouragement. You and our clients remind me every day that love is everywhere; you've only to see it.

Gayleane S. Lee ♥

CANCER DOES NOT DEFINE LIFE,
HOW WE RESPOND DOES.

Because *You* cared, someone is nourished. Because you cared, someone is healing. Because you cared, someone doesn't have to struggle. Because you cared, someone is not alone. Because you cared, someone caught it early enough. Because you cared, someone lived.

Because you care, we are able to change lives.

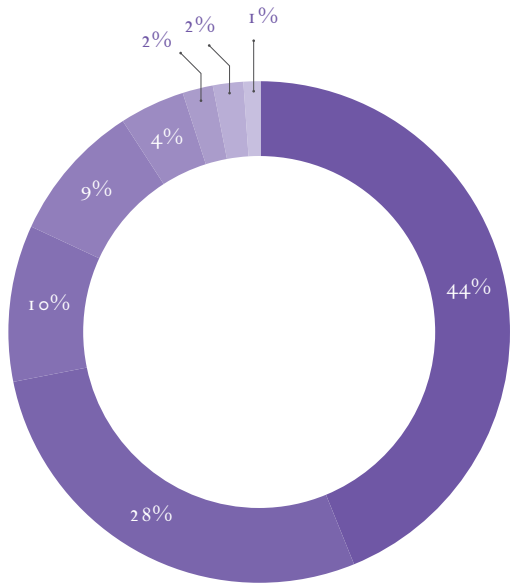

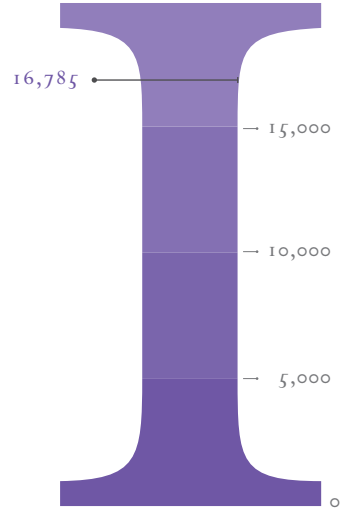

PROUD TO REPORT

2011

TOTAL GIFTS IN KIND ITEMS

TOTAL NO. OF SERVICES PROVIDED

- 44% Nutrition
- 28% Home care supplies
- 10% Ostomy supplies
- 9% Hats, wigs, turbans
- 4% Treatment transportation
- 2% Breast prostheses, bras & lymphedema sleeves
- 2% Screenings
- 1% Cancer prescription assistance

Together, we *Helped* over 933 people in our communities last year.

For over four decades, the Cancer Association of Spartanburg and Cherokee Counties, Inc. has been dedicated to responding to the needs of clients in our community. These are our friends, our associates, our neighbors, and our families. Their cancers are different but they all have one thing in common: they experienced the generous, loving support of our organization.

Our ability to respond to our clients' needs is all thanks to the generous support of our donors and partners, and the tireless efforts of our staff, Board of Directors and volunteers. Together we are helping our clients live better, healthier lives.

In 2010 we sought opportunities to enhance our client services and broaden community outreach programs. This year we reached over 933 clients and provided nearly 30,000 services. We provided critical supplies to cancer patients including nutritional supplements, bras & breast prostheses, ostomy & home care supplies, wigs and toiletry items. We offered financial assistance for treatment transportation and medications, and loaned hospital equipment.

Furthermore, we held health fairs and gave personal presentations to community clubs, businesses and churches. We offered free screenings, smoking cessation classes, and an extensive library of literature. We created a cooking workshop tailored to the needs and challenges faced by cancer patients. We designed a program for survivors of breast cancer, to help them heal and prepare for life after cancer. Just as importantly, we offered emotional support to those who truly needed it.

If not for the Cancer Association, programs and services like these would otherwise be unavailable to many of our clients.

“Friends are the most important ingredient in this recipe of life.”

— ANONYMOUS

The workshop was based on two cookbooks: *The Cancer Lifeline Cookbook* and *Betty Crocker’s Living with Cancer Cook Book*, copies of which were given to attendees.

We created a free *Nutrition* workshop designed to ease symptoms, calm minds and empower patients and their caregivers.

~ SLICE OF LIFE WORKSHOP

This year, in response to the nutritional challenges faced by cancer survivors and their families, we partnered with the Spartanburg Regional Foundation and the Pelham Batesville Fire Department to hold our first Slice of Life free nutrition and cooking workshop.

Chef Tom Buice & Registered Dietician Cathy Zwilling from the Gibbs Cancer Center partnered to create an entertaining and informative presentation. Guests watched the preparation of delicious recipes like Dijon Chicken and Easy Brown Bread, while learning helpful tips for easing preparation and understanding the role of nutrition in the healing process. All of the guests were given a frozen meal to enjoy later.

{ Made possible by a grant from the Spartanburg Regional Foundation. }

The symptoms and side effects of cancer and its treatments can ravage the body and overwhelm the mind, leaving the spirit frail. With this workshop, patients and their guests were given valuable tools to ease their symptoms and calm their minds, leaving their spirits strong.

*“Sorrow shared is sorrow divided; Joy shared is joy multiplied”
— Swedish Proverb*

We designed a *Healing* program just for women and provided them with tools to rejoice and renew themselves for life after breast cancer.

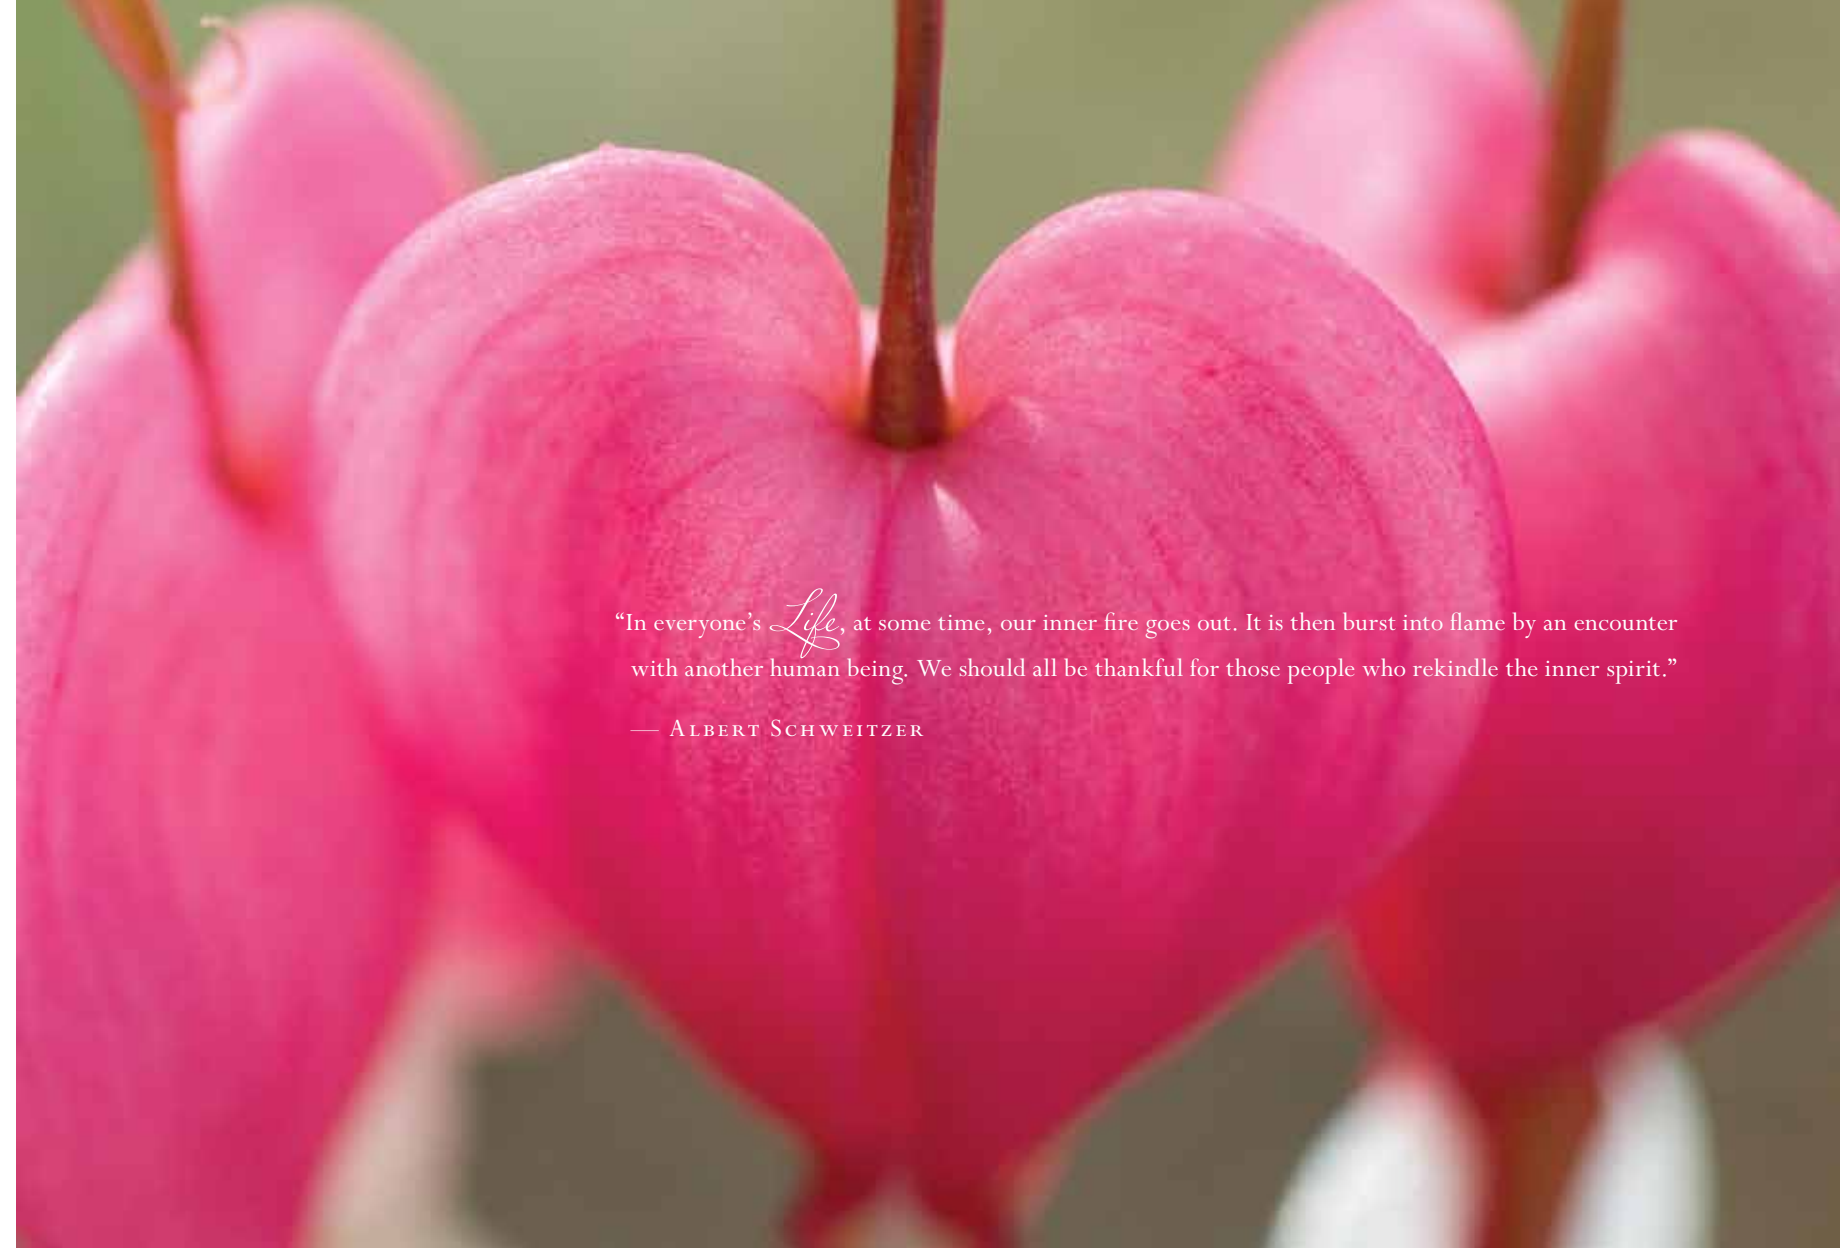

Buddies Survivors Academy, a free 12-week wellness program for breast cancer survivors.

Weekly classes were held at ReGenesis Health Care in Gaffney and lead by Kim Evans, Breast Health Navigator. Each class was devoted to a proven method of managing stress and promoting wellbeing. From exercise and nutrition, to yoga and spirituality, graduates of Bosom Buddies Survivors Academy were given tools to heal, rejoice and renew themselves for life after cancer.

🌀 BOSOM BUDDIES SURVIVORS ACADEMY

Cancer has a way of shrinking a patient’s world. Life becomes about battle and survival. Women who emerge victorious often find themselves exhausted physically and spiritually and underprepared to step back into life as they knew it. For this reason, we created the Bosom

*{ Made possible with a grant from
Susan G. Komen for the Cure. }*

*“In everyone’s *Life*, at some time, our inner fire goes out. It is then burst into flame by an encounter with another human being. We should all be thankful for those people who rekindle the inner spirit.”*

— ALBERT SCHWEITZER

“An ounce of *Prevention* is worth a pound of cure.”

— BENJAMIN FRANKLIN

About 1 man in 6 will be diagnosed with prostate cancer during his lifetime. More than 2 million men in the United States who have been diagnosed with prostate cancer at some point are still alive today.
— American Cancer Society

We offered free screenings because early *Detection* is the best weapon against prostate cancer.

PROSTATE SCREENINGS

Cancer of the prostate gland, after lung cancer, is the most widespread version of the disease suffered by men. Relatively easy to cure if caught in its early stages; it generally strikes men in their mid-fifties and up. One of the best cures for prostate cancer is early detection.

With that in mind, the Cancer Association and ReGenesis Health Care successfully partnered for the third year to provide life saving

free Digital Rectal Exams & Prostate Specific Antigen (PSA) blood work to residents of Spartanburg and Cherokee counties. The event was in September at the Gaffney office of ReGenesis Health Care and twenty-two men were screened.

Cherokee County is the number one county in South Carolina for late stage breast cancer diagnosis.

We partnered to *Educate*, support and celebrate with our community.

IN THE PINK HEALTH FAIR

In October 2010, 16 vendors joined together in partnership with Wal-Mart, the Cherokee County Late Stage Breast Cancer Task Force and the Cancer Association in a Wal-Mart store in Gaffney to create a health fair where the community could gather in a fun-filled atmosphere and learn about their own health and the services available to them in their area.

Vendors offered free services such as flu shots, cholesterol and blood pressure screenings, eye screenings and opportunities to sign up for free mammograms. To keep things light and encourage participation, door prizes were awarded every thirty minutes, while entertainment and music were provided by Benard Pitts of Restoration Church.

The highlight of the day was the ribbon-cutting event for the New Bearden-Josey Center for Breast Health Mobile Mammography Van. This is a wonderful tool that will enable us to reach even more women and save more lives in Spartanburg and Cherokee Counties.

“There is no *Knowledge* that is not power.”

— RALPH WALDO EMERSON
