

CANCER ASSOCIATION OF SPARTANBURG & CHEROKEE COUNTIES, INC.

annual report

1

Welcome to Our Garden.

CULTIVATING HOPE, NURTURING SPIRIT, HARVESTING LOVE

The Cancer Association is a place where people come together to make the world more beautiful. We adapt to the changing needs of our clients and our environment, always seeking to be more and do more for those we serve. We believe that within each of us there lies a seed, rich with potential, which needs only to be nurtured. And when it is, love grows.

As you stroll through these pages, you will see the many ways we have flourished with your care. You will meet a few of the people we have served and you will see how we are, in turn, benefiting from caring for them. The Cancer Association of Spartanburg and Cherokee Counties, Inc. is a beautiful place of respite and inspiration.

our executive director

Dear friends and caring

family,

a garden is a beautiful place of escape and rest. It's a world separate from the demands of daily life and the realities of sickness. Gardens can provide inspiration and solace, but any gardener

will tell you that creating such a beautiful place requires planning, effort, patience and love. They will also tell you that such toiling is their passion, their comfort.

It is my great joy to tend to our clients, to watch them grow and bloom in our care, to know that we can give them what they need during a time of great challenge. I am so grateful to all of you who choose to contribute to our organization. I know that without such a spectacular support system, we would not be able to do this important work.

As I stand at the end of another year, admiring our garden, I am struck by the beauty of this place we have created together. The Cancer Association truly is a place of inspiration and solace. I am so pleased to see our organization and our clients thriving. I am so thankful to my team, our Board and you, our donors, for making all of this possible.

Please enjoy a walk through our garden. On behalf of our team and our clients, and from the bottom of my heart,

Thank you.

Gaylelene S. Lee

~ HENRY DAVID THOREAU

Heaven is under our feet as well as over our heads.

our services

In cultivating

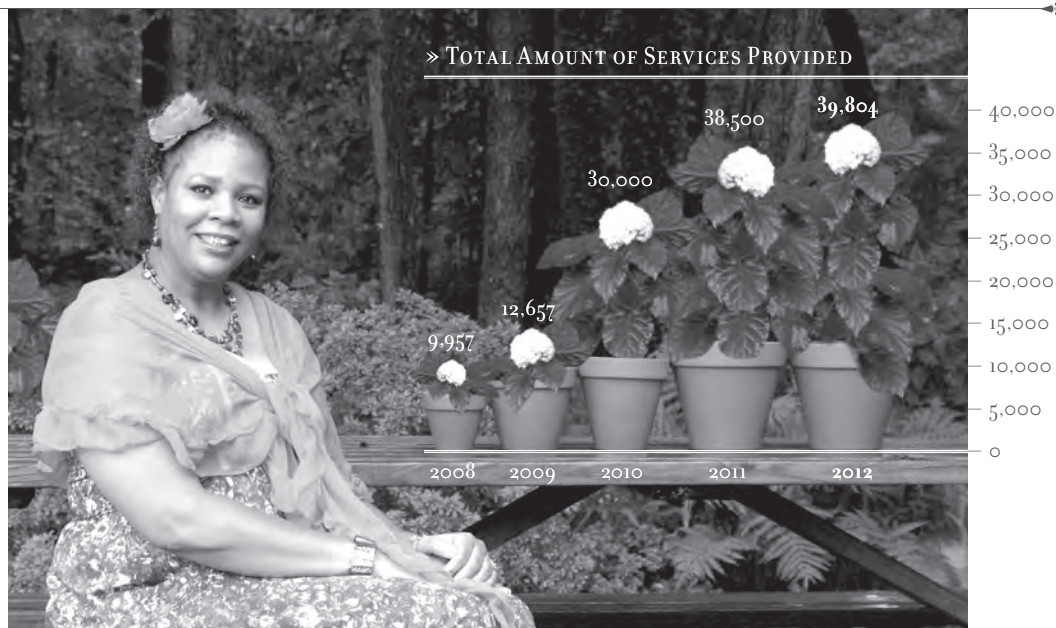

hope

and love within our community, we combine compassion, expertise, and determination. We work tirelessly to meet the ever-expanding and changing needs of our clients by providing critical supplies to cancer patients including nutritional supplements, bras and breast prostheses, ostomy and home care supplies, wigs and toiletry items. We offer financial assistance for treatment transportation and medications, and also loan hospital equipment. Our community outreach programs are committed to raising awareness in the community through health fairs, presentations, classes and screenings.

Through our programs we are able to support our clients before, during and after cancer treatment. Over forty-five years of experience enable us to assess clients' needs and augment the care of their medical teams to ensure the best possible outcomes.

The Cancer Association supported Valorie during her treatment and she attended our Slice of Life nutrition workshop. In 2012 she organized the "Shoot for a Cure" fundraiser at Dorman High School, where she is the girl's basketball coach. Valorie continues to raise awareness and money for the Cancer Association.

— Meet Valorie Whiteside

our services

We are always here,

tending to the needs of our clients. Our organization has the unique ability to address a wide variety of requests. We embrace every client and strive to nurture their bodies and their

spirits, supporting them throughout their journey. Our clients thrive under our careful attention. The Cancer Association offers the space and provisions to support healing and well-being. Time and again, as our clients recover and no longer require our services, they become donors, supporters and activists themselves.

Jerusa was diagnosed after receiving a CASC-sponsored mammogram in Cherokee County. We helped her find a surgeon to perform a biopsy and gave her support services during her treatments. After treatment, she participated in our Bosom Buddies Survivors Academy.

— *Meet Jerusa Suarez & her loving family*

OUR SUPPORTERS

We appreciate all forms of

giving.

In-kind donations are the type of charitable contribution in which, instead of giving money to buy goods and services, the goods and services themselves are donated. At the Cancer Association that translates into everything from medical supplies and equipment, bras and prosthetics, to personal care and household items. Supporting our clients means meeting all of their needs.

Donations of gifts-in-kind also help us in unexpected ways. Seemingly small donations of gift certificates, office supplies, and gas cards are enormously helpful in our day-to-day operations. Gifts-in-kind include services that the Cancer Association might otherwise have to pay for, enabling us to direct more money to client services. With gifts-in-kind we are able to do more with less.

Ray uses his personal vehicle every week to shop for and transfer goods from the United Way Gifts in Kind Center and picks up large donations that we would otherwise have to pay to transfer. Generous and caring, we know we can count on Ray to lend a hand.

— *Neet Ray Roberts*

our assets

This year, our organization

bloomed

due to the generous support of our donors and partners, and the tireless efforts of our staff, Board of Directors

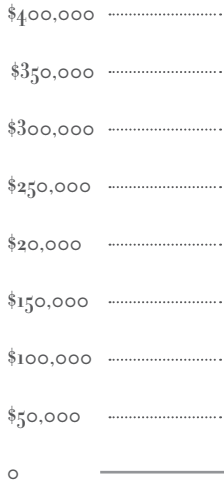

and volunteers. With careful planning, the bounty of our semi-annual Dancing with the Spartanburg Stars event provides enough revenue to spread over a two year period. Those funds, combined with our annual fundraising events and your generous donations allowed us to enrich our programs and services in 2012. Together we are helping our clients thrive in spite of the challenges of cancer.

Volunteers and donors make it all possible, and Jack McBride is both. Jack generously donates his time, money and Gifts in Kind from his business, Contec, Inc. He is always up for a good time. In 2009 Jack danced in our Dancing with the Spartanburg Stars event, and co-emceed the same event in 2011 and 2013.

— *Meet Jack McBride*

our expenses

Careful budgeting and

planning

help us stand out among other non-profit organizations. When you choose to give to the Cancer Association, you are making the

choice to support people with cancer in your own community. You can trust that your donation is supporting an organization committed to providing for every client. We are proud to report that 87% of donations went directly to clients in our community. Together, in 2012, we provided nearly 40,000 services, improving the lives of 880 clients.

As the wife of a cancer patient, Mrs. Phillips also received loving assistance at the Cancer Association. In our office she found helpful information, generous support and much-needed services to help her give her husband the best care possible.

— Meet Debbie Phillips

13% Management

our revenue sources

Gratitude underlies our yearly

harvest.

The majority of our funding is raised during annual fundraisers and our bi-annual *Dancing with the Spartanburg Stars* event. In 2012, *A Night in Vegas* raised \$33,965, while our first annual *Backyard Barbeque, Bourbon & Bluegrass* event raised \$20,251. Together, the women's *Annual Swing Fling Golf Tournament* and the *Annual Fall Tournament & Business Drive* raised \$51,019. We augment these funds through grants, general donations, honorariums and memorials.

Each year we strive to create fun and unique fundraisers that inspire and entertain. For it is your contribution, and the contributions of those you invite to join us, that lay the solid foundation for our success. Because of your generosity and enthusiasm, our clients are receiving abundant support and care. Thank you!

When Gene received his cancer diagnosis, he and his wife turned to the Cancer Association for support. Together, they come to our office to collect nutrition, shop our Gifts in Kind center, and enjoy a visit with our team.

our fundraisers

A Night in Vegas

What happens in Vegas, stays in Vegas! In April, Smith Drug Company and Contec, Inc. sponsored 'A Night in Vegas' at Indigo Hall. 250 party-goers were treated to Las Vegas-style hypnotist Jon St. Germain, a fun photo booth, and casino games. Five top prizes were awarded and the Grand Prize was a trip to Vegas! Revelers raised \$33,965.

Dr. Curran & Dr. Corso enjoying hypnotist Jon St. Germain.

Supporters at casino table

7th Annual Ladies Swing Fling Golf Tournament

These ladies know how to have a swingin' good time! In May, Upstate Carolina Radiology and Southern Vascular Institute proudly sponsored our 7th Annual Ladies Swing Fling Golf Tournament at the beautiful Woodfin Ridge Golf Club in Inman, SC. This year 18 teams had a wonderful time and raised \$13,854.

our fundraisers

Backyard Barbeque Bourbon & Bluegrass

Barbeque, Bourbon & Bluegrass: a southern tradition! In October, Anna and Justin Converse generously opened their home to 150 enthusiastic supporters. Guests were treated to a bourbon tasting by Beam, Inc. and the live music of Nitrograss. Attendees had a terrific time and raised \$20,251.

Supporters enjoying the event.

a single friend, my world.*

GARDENING TIPS

Winter:

Prune trees and shrubs and clean out flower beds.
Clean and oil garden tools before putting them up for the year. Don't forget to water.
Rest.

Don't forget to give year-end donation to CASC.

Spring:

Pull weeds, fertilize and replenish pine straw in beds.
Check new growth for insects and treat if necessary.
Survey beds, divide perennials and replant or give away extra to friends. Replant containers.
Watch and enjoy as everything starts to return.
Don't forget to water.
Enjoy.

Attend A Night in Vegas Spartanburg.

Summer:

Fertilize frequently (every 3-4 weeks). Cut off dead flowers and pinch back leggy stems to encourage new growth and more bloom. Watch for insects and diseases. Newly planted flowers may require water more than once a day until established.
Don't forget to water.
Maintain.

Play in Ladies Swing Fling Golf Tournament

Fall:

Remove spent flowers, weed and clean flower beds.
Survey and plan ahead for spring. Plant fall flowers and spring flowering bulbs.
Rake leaves regularly.
Don't forget to water.
Plan.

Play in Fall Golf Tournament

~ MAY SARTON

Everything that slows us down and forces patience, everything that sets us back into the slow circles of nature, is a help. Gardening is an instrument of grace.
